WELCOME NEW & OLD!

A staggered start means a quality roll-out of our
 School Year Schedule after a busy Summer ending 8/31.

We hope families will benefit from establishing "After School" hour programs (3pm-5:30pm) immediately after Labor Day, in-line with bus transportation or your care routine. In the following week we'll be prepared to start "Morning" and "Evening" hour programs. Finally Inspiration Academy begins the third week as it follows an adjusted schedule allowing you more time at home!

29	<p>SEPTEMBER: EASE INTO A MAJOR SCHEDULE CHANGE FOR STUDENTS & THEIR FAMILIES</p> <p>It's so beneficial to allocate time to LISTEN and CONNECT as we begin a new School Year. Students will be welcomed into a relaxed atmosphere that balances easing into "big changes" with establishing comfortable routines. We're prepared for anyone feeling extra tired from new bedtimes, antsy learning new rules all day, nervous about meeting new people, and even homesick. Look forward to a few weeks (as needed per program) for students to settle into routines by exploring our spaces, materials, and activities in bite-sized amounts.</p> <p>We're not starting long-term projects YET! It's not "busy work" but we're leaving space for adjustments that are likely. Rosters/schedule may adjust throughout early/mid Sep. It's a busy time for all and we will continue to welcome new students as they're able to settle into commitments. Any programs below minimums will be addressed (hoping for no cancelations, but looking out for the best interests of students).</p> <p>Please tell your friends that REGISTRATION IS OPEN while class space remains!</p>
